

Glory Be! The Funk Saved Me...

By Doonka \$noot

Copyright 2013

DEDICATION

This literary work is dedicated to ALL of my family, friends, associates, business partners and truest believers. Exclusively, I want to thank God for blessing me, showing abundant favor and enlarging my territory. Increased wisdom, understanding and knowledge of the funk craft have granted me the opportunity to share these works with you the thinker/writer/reader. I pray everyone who reads this understands my reasoning for why I decided to become a master-teacher of the funk. I do not grasp nor accept the customs, values or morals of today's society and will whole-heartedly encourage growth, change and transformation amongst my people. I have observed enough of the systematic problems developing day by day to understand that something must be done in order to save human existence. Hopefully, someone will be sparked by these manuscripts to get as angry as I did in my youth to put a halt to the self-genocide. This is the beginning stage of a prophecy that must be fulfilled to its highest extent. I will uplift my people and leave behind the lessons that made me who I am today. This is also dedicated to my future kids and wife; and the generations to follow that will carry on my legacy. Alpha. Omega. End.

"What a man can be. He must be."

"What's a rebel without a cause? You must be willing to die for the truth. Stick by it and nothing more."

"You don't know who you're talking to. You have entertained angels
unaware."

PREFACE

This was solely established through repeated attempts at achieving self-actualization. I am now remotely close to fulfilling my purpose here. Confidence, morality, acceptance of others and facts are the key elements to spreading the godly prophecy bestowed upon me. God Almighty directly channeled wisdom down. Metamotivation is why I brought these ideas and concepts forth. Change was needed. I created the change. It starts here.

THE PROLOGUE

Greetings!! Salaam!! Funkateers and Maggot Brains!!

Virtually over 7 billion years ago a child was born through the righteous testament of being half extraterrestrial, half homosapien and half Funkateer. This child was raised in the tribe of the "High Order" by his mother, or as the elders called her *Trinity*- "The High One". The High Order and Third World marveled at her grace and poise when she became the first of her tribe to give natural birth procedures and not require any special assistance.

Trinity named her son after the magnificent interconnected galaxy that brought beings of the High Order and Third World blessings and gifts annually. Her son- *The Supreme Funkateer* was named *Doonka Snoot*- "The Funky Great One", and he would later go on to change his name as some provided evidence over three million times, giving him the honorable title "The Holy Ghost Of A Million Names". Growing maturely with such high expectations by the natives of his land, Doonka Snoot and his mother were overwatched by the *Supreme Guardians of the High Order and also the New World Order* in order to make sure that they were continuously blessed and protected. There was an insurmountable display of affection for these two people in particular by the commoners and citizens. It seemed that destiny would push them through the upheaval of being a Funkateer at a time when

war, famine, plague and disease was at its highest peak. Trinity raised her son in the Third World so that he would be immune to the snootiness of the principalities of higher power beings that considered themselves to be gods and goddesses. This humbled Doonka Snoot and taught him galactic lessons about the Kosmos and how to survive the fatal worldly possessions that most cherished to a fault.

Around this time era there was a spiritual war going on between the High Order and the beings of *God Body Unconstrained*. These were the extraterrestrial beings that deemed themselves to be higher than God or preached to their subjects that there was no god above them at all. Some of these acts were painstakingly done to indoctrinate-brainwash the mass subjects sowing no progressive variables into the land of the Third World or New World Order. This rebellion and direct mutiny lead to God repeatedly punishing the people under these teachings with the destruction that followed after. Representative of the tales of Sodom and Gomorrah, millions of lives were destroyed incoherently to these false prophecies. Subsequently, there was need for a shift in consciousness amongst the remaining beings. Before transformation is disorder. Before honor is humility.

Transported through the Gargantuan realm and left our motherland to live efficaciously with the other natives in our galactic sphere... I, the extraterrestrial being of over 7 billion Funkateers and Maggot Brains am *The Supreme Funkateer*, also acknowledged as The Oracle, Angel Face, Mac Booty Green, Shang Sun Groove Boogie Wonder, Alberto Funkstein, Goldie, The Candy-Man, Funky Lil' Toe Jam, Samurai Jones, Quasi Mojo, Otis Malone, Who, Venus-Van Halen, The 1&Only, X-Man and limitless other pseudonyms that will be determined indefinitely.

I, am the savior of my species sent to planet Earth on a global mission to spread the message of "Funk and godly prophecy". My age is unknown due to the resurgence of genetic RnA cloning in the year 1984. I was strategically hidden secretively in plain sight until my space capsule was assembled and prepared by the government. I am the only lasting embodiment of an entire society that was torn down by the God Body Unconstrained some hundreds of years ago. The war between good vs. evil has never reached such a height as it did in the conflict between the High Order and God Body Unconstrained. Casualties reached numbers beyond repair and the only people that survived the decades of turmoil were the beings high in rank or the higher powers that avoided most of the internal/external-damage because of their financial solidity. The remains of the civilization were erased in its entirety. All traces of manuscripts, technology, architecture, habitation, were deleted in totality.

Lo!, throughout all the wickedness that covered the planet showing itself maliciously, I managed to survive through the prophecies, messages and manuscripts of those noble souls lost at war. I *The Supreme Funkateer* kept the latter traces of information that proved a previous civilization existed as far back as Atlantis. This data was kept hidden in the barren lands far east in Middle Asia, deep in the amazons of South Africa, west to the ruined nations of Europe, and discreetly in the tabernacles-synagogues of the largest churches. Africa was unknowingly gold.

Here I will stake with you the manuscripts and literary works that I have kept nearer to my heart, mind, body and spirit. These are the teachings of master prophets such as King Kenchii-Rabi III, Marcus Garvey, Planet X (works from this planetary system-sciences-arithmetic), ZQ The Honorable and other historical figures over energy's infinite-ness. I will post the teachings of the funk and how it blessed me to become the greatest ruler of all nations far and wide. I will show you the ways of the world and how to prevent the self-genocide that inflicted my own people. I will expose the evils that lurk furtively unseen. I shall release my energies and blessings upon your chakras and spinal connectivities. Here. Behold. I Am. The Funk. The Creator. The Creation. Divine. Number 9. Completion.

+++%^^^How To Receive The Funk and How Energy Works^^%^+++

% LO!, ALL chakras must be open to receive all positive energies that will be shifted through the Kosmos (atomic mass structure) to your genetic composition. Negative energies will block the passageways for mental enlightenment and self-actualization. There is ZERO transfer of the Kosmos to negative energies. The chakras must be willing to submit to the calmness and humbled spirit of *Clonious/God* and his magnificence. Throughout this period of calmness you will experience the outer-body experience known as "Sanctification" also known as baptism in modern-day religion. This will be your period of time to submit and revert back to your beginning. Alpha. The life you have lived will only show its purest form if you walk towards the positive waveforms. Being(s) known, as the E.B.E. (Extraterrestrial Biological Entity) will encourage your transformation, most consider them friends of the people. DO NOT be afraid to let the positive waves overwhelm the body and function, as it seems fit to cleanse your mind, body and spiritual iniquities. The E.B.E will only flash once with bright WHITE LIGHT! Lo, DO NOT interfere at this point with the discovery of what will be your new being. It will be as the child who is engulfed safely in the fetal sac before entering the birth canal. Life will present itself renewed in a "light bearing form" of purple hues

and embossed with the finest gold. Now, OPEN YOUR CHAKRAS and embrace the positive energies and dynamisms. Shift your consciousness far away for the undesirables. Narrow and straight is now the way.

"Breaths (deep) should be taking over forty times a day to provide the brain with the proper amount of oxygen and air flow. It is then one will know how to remain humble when anger comes knocking irresponsibly and loudly."

+++%^^^Submission Mind, Body And Spirit^^%^+++

% LO!, the funk will transport you and create mental checkpoints called MBP's (Memory Base Points). Your thoughts have been stored and have been used to guide you through the transformation stage. You will not lose any previous knowledge that you have acquired since your known existence.

"Blessings be un-to you. Peace be un-to you. Love be un-to you."

The transformation and energy has begun as accurately as God plans the weather. You will now become as one whole with "The Creator". Everything revolves on THE ONE. The energy you submit from now on will be the difference between he/she and any other being unknowing of the teachings of *The Supreme Funkateer*. These philosophies are now sacred to you and God. The spiritual connection has been made.

"To not know is not to fail."

Ignorance ran amuck and I saw it with my own three eyes. Everyday I saw my people lose sight and dive face first into the evil abyss. Their hearts were darkened with treachery, anger, pride, lust and wickedness. They were cuckolded and encouraged to keep their sinful ways only to lose their souls. But at what cost? I had to convert those deceived by the

propaganda evils the God Body Unconstrained administered through our overpowering technologies. They dug deep into our brain cavities with spoons and sharp objects destroying the nerve systems and thought processes cohesively. We were no match for their advancements. Ignorance was bliss.

"WE BEGAN TO THINK LESS. THEY BEGAN TO THINK FOR US."

LO!, I immediately reconditioned and reformed in order to understand the mental slavery I was engaging to. They put chains and shackles on my wrist, ankles and neck; but they never could put any on my mind. I diligently sought information like The Creator had envisioned me to do so. Never before had I a passion to save the souls of those at war uncaringly. My soul began to glow with green light as I meditated and envisioned how to change the horrifying condition society was in.

Reading day and night. Reading day and night. Reading day and night. Searching. Thinking. Writing in the caverns. Philosophizing. Learning. Searching. Building. Studying. Reading night and day. Reading night and day. Reading night and day. Revealing. Answering. Consuming. Teaching. Reaching. Forgiving. Reading day by day. Reading day by day. Reading day by day. Creating. Yielding. Donating. Uplifting. Overstanding. Preaching. Reinventing. Reading more. Reading more. Reading more. Inquiring. Experimenting. Saving. Imagining. Believing. Reckoning. Knowing. Developing. Reading more and more. Reading more and more. Reading more and

more. Destroying past self. Indulging in holiness. Giving back to charity. Fasting. Reinventing. Reincarnation. The Legacy To Come...

"I became wise and knowledgeable on many subjects, my aim is to create, build and spread."

As Solomon began to gain wisdom and understanding, God revealed many truths. All truths were revealed to me and I, became prudent. Now the prudent man, I sought after more and more wisdom and God began to reveal more truths upon my cranial sphere. The more prudent I became, the more information I sought after. The more prudent I became the more I wanted to seek greatness; following in the path trodden by great men. The more prudent I was in my decision-making, the less my faults began to show. The more prudent I got, the craftier I became. It is virtually impossible to be perfect and prudence is no small virtue. Lo!, as promised, God never stopped revealing truths. A wonder to the testament of his mercy and goodness. Wisdom was fruitful in nature. Understanding was nourishing in spirit. Our land reaped the benefits of uplifting the name of the Lord. Yahweh. I am the prudent man.

"O Lord, protect me and my territory. I have fallen amiss. Lead me O Lord."

"The fear of the LORD is the beginning of knowledge, but fools despise wisdom and instruction."

The thinker began to swell with micro-information(encoded) known as "facts"(wisdom) to the commoners and natives. The Creator tripled my bosom and labor earnings. Here, I began to overstand the importance in not acknowledging materialism or its fatal shallow values. Materialism was the dark lonely plague that destroyed the prosperous Third World and officially entered us into the New World Orderly prophecy-fortellings. I, witnessed the annihilation of an entire body of work by The Creator. It saddened me. I could not understand how the power so mighty allowed d'evils to lurk and decide freely which souls to fester upon. The embitterment cultivated and d'evils increased in strength and numbers. Revealed.

"If I had not giving them plague, famine and promised eternal damnation they would never have stopped sinning against Me, the father and His holy kingdom (Heaven)."

Revealed. Overstand.

+++%^^^How To Increase The Funk Intensity Level^^%^+++

% LO!, You are now beginning to overstand.

"To understand undermines true intelligence. It is no longer enough to understand."

The funk intensity level is based on the Funkateer or Maggot Brain's ability to be effective on the line of duty. There are several branches of the Funkateer chain-of-command (COC). The following is stated.

*1 Vagabond/Perishiites - lower class - the nothing; bound by food, lust, pride, jealousy and other fleshly desires.

**2 Cool 85's - middle class - beings in the daily social work circle of life; the intelligent beings

***3 Supreme/Honorable - high-class - activists, visionaries and instructors of the science/arithmetic/funk/kosmos; experts on the ways of life and its universal cycle

After reforming from the Vagabond stage, every Funkateer or Maggot Brain is equipped with the knowledge of how life works and its significance. It is now that you can increase the levels of funkiness. It is here that most Funkateers begin to create distinction amongst from

themselves and a typical social order. Creativity is the key element in this revolutionary stage. The mind is the door to producing action forth. The body is the vessel to fulfill your kosmetic desires. Spontaneity is needed.

The Cool 85's are the social-normal beings. These are the citizens who lack self-motivation to achieve self-actualization. Resources are plentiful on this level but there is still a need for respect by others or respect of others. The 85's have fiscal security establishing themselves as the successful beings abroad. At this point it is now necessary to cut off the negative associations of the yearly cycle. Funk intensity can only resume if the 85 take the initiative to deal with these matters excessively. Friendships, relationships and partnerships should be the key focus of the removal in this stage. Prophecy. Revealed.

The Supreme beings are the most notable prophets, teachers, and masters. Their existence has either come so swiftly, that the prophetic-teachings of these respectable people have impacted their mass subjects unconsciously. It is right to say that the Honorables have paved the way to what we see, know, think, and hear today. The battle they faced in their day and age was a battle won. To achieve this level of funk intensity, self-actualization and complete-knowing-of-self is mandatory.

+++%^^^How To Cope With The Funk - Experimental Funk^^%^+++

% LO!, it is most likely that one will begin to "shake their booty" when life is seen or heard for the first time through funky dimensions. Thoughts will flow liberally and freely. The previous channel of funk frequencies one might have been familiar with will inadvertently change with time. The levels will continue to increase and knowledge will become plentiful.

"For he/she that is overstanding of the funk and its rhythmic pulse, he/she is overstanding of the ability to heal an entire nation."

The liberal thinker will use his/her progression to sow seeds for the future Funkateers to embellish. It is not enough to have the funk and to share it minimally. Knowledge of the funk must spread like the governmental diseases constructed year-to-year. Wisdom of the funk must be passed down generation to generation. I, was a student of the teachings of leveling in funk degrees. I learned how to envision the next level and became a master in the writings of the funk. Levels beyond the literature aspect were unknown due to my love for the current phase I was in. I quickly wrote manuscripts and my own stories of the blessings that the funk presented me. Here, was my outlet to applying all of the wisdom I had

gained from The Creator and his funky prophecies. I scribed them day and night. Day and night I read them back to myself to make sure they all made sense. It was indeed new and exciting to feel young, wild and free.

"The funk became my best friend...my confidant...my shadow. I lived with it sucka-free."

Levels and frequencies increased with time and soon I became a master in teaching the principalities associated with the funk. This level of accomplishment was undetermined indefinitely.

LO!, there will be a phase of funky experimental urges. Cope with the positive ways and you will begin to share the joy of the funk with the people closest to you and in fact, complete strangers. The connection has been made in order for you to create change as many of the Supreme beings already have. Become An Honorable. Embrace. Accept. Spread. Prosper.

+++%^^^How To Make Your Spouse Want To Join Your Journey^^%^+++

% LO!, this is very important to the minor/elder Funkateer or Maggot Brain who is deeply concerned with the connection to a spouse or sexual entity. Erotica is used extensively to get a loved one to join your funky expedition. To love is to grow. To grow is to evolve.

LO!, remember...every *Supreme Funkateer* will find another soul to share these heavenly funk experiences with. But even I, -*Doonka Snoot*...DO NOT have a specific method that will work effectively for every being the same exact way. It is a very tricky method when it comes to the instructions of how to get another entity being to overstand your reasoning for being funky, wanting to funk with you and/or wanting to join the funk. Here are five tips that you can use in your coaxing/sweet-talking process.

*1 Give the funk. Receive the funk.

**2 DO NOT be harsh in direct criticisms of how your partner learns the funk. Recall, it was not easy to embrace the funk or overstand the funk completely in its entirety. Patience revealed.

***3 Love your partner unconditionally. Make sure it is known across the galactic sphere that your spouse is the only Funkateer/MaggotBrain for you/self.

****4 Use common sense in knowing if your partner is ready or willing to receive the funk and its immediate power in their life span. Be omniscient in your approach.

*****5 Be TRANSPARENT in EVERYTHING.

LO!, It is important to NEVER put your spouse over the funk or God. As stated in the teachings, it is fine to have unconditional love for your partner, but it is never permissible to place these beings before the blessing(s) of God. The funk NEVER instructs you to lust after beings of the galactic sphere; therefore implying that the sexual exploitation associated with the funk only supports sex in moderation. Fornication was prohibited in the early funk teachings by the elders and was a key factor in the longevity of their reign over the galactic realm (also planet Earth). Overstand that one of the most important decisions you will make besides accepting the funk or submitting to the will of God is finding the correct spouse. This is not a connection to be tampered with as the Kosmos have proven consistently thru Karma, Fate and Destiny.

The virgin is pure in heart, lest she wanders away. DO NOT be seduced nor confused by the ways of a strange woman. She is unfamiliar and wicked in her conversation. A strange woman does not have the funk. A strange man

knows nothing of the funk or how to properly treat a woman, therefore run far far away from his alluring mannerisms. This must be held in contempt when proposed with such blasphemous un-funky affiliations.

Lo!, I am the chief supporter of all Funkateer/MaggotBrain being actively and happily married.

"Be happy in marriage for marriage is happy. The most sought after feeling is the feeling of being wanted by someone else."

"Treat other as you would want them to treat you. This is included in your love and desire to make your spouse happy."

"Be lenient and submissive. A soft tone soothes a hurt soul."

"ALL BEINGS! Be fruitful, multiply, use peace and concern with the love you show."

"Being deeply loved by someone gives you STRENGTH, while loving someone deeply gives you COURAGE." - Lao Tzu

"LOVE, LOVE, LOVE, until you can't no mo. Keep love in your heart. Keep love in your heart."

"Funk with me baby, and I promise to funk with you."

+++%^^^The 9 Areas Of Funky People Activity^^%^+++

% LO!, the God Body Unconstrained originated as a systematic power theory to oppress the beings of the Third World and natives of other planetary arrangements. The implementation of the New World Order was the beginning of a new age supposedly to be a "shift in consciousness". The reign of the previous kings, rulers and leaders came to end and the G.B.C became the driving force behind the mainstream industries. ALL economics entertainment, education, law, politics, labor, religion, sex, war (NINE CENTRAL AREAS) became the focus for destruction by those who felt they were superior to the lower class. They used these factors to indoctrinate the way we think, write and interpret hoping to suppress the rebellion that soon followed thereafter. The revolution was not supposed to be televised. Unknowingly, the revolution was televised and it brought forth the emergence of a whole new structure system, which gave people the strength to battle the evil-sinister-wicked-malicious ways of mankind. The people began to fight for their civil rights and liberties. Racism, persecution and mass genocide followed thereafter; killing off the masters, prophets, teachers of the moral correct way to live.

Beings of the G.B.C made sure that they were to never become the minority race by wiping out most of the traces to Third World existence. The nine areas listed above were the keys to survival at a time when God granted blessings to those who turned down the G.B.C's demand to praise their false prophecy-deities. Perception, logic, symbology, speech, action were some of the ways that they influenced the people who were weak in mind, body or spirit to submit to their reign. They used shape-shifting, black magic and curses to blind the people of their true purpose; taking the lives of millions of innocent beings who never awakened due to the malevolent deception in the world.

These nine areas should be the main focus points in order to achieve the Supreme-Honorable status in funky-godly-prophecy. Attack these subjects day and night along with the other ideals I have presented to you. The G.B.C still exists today in many sub-divisions known as secret societies, social orders or global unions. Wake up and renew your mind, body, soul and spirit so that you are not conformed to mankind's impending downfall.

Reward is in the storehouse for those who seek wisdom whole-heartedly and diligently. Education will save lives. Law is power. Politics is religion. Entertainment is the biggest platform. Hard labor is beneficial. Religion is closest to God. Sex is love. War is no longer necessary.

CLOSING

LO!, it is NEVER too late to convert and transform. I pray these manuscripts will allow you to prosper and become wise in God's eyes and his eyes only. Hear re-prooth and listen closely to wise counsel. Honor thy mother and father. Have faith. Be great. Have more faith. Be even greater. Pursue whatever it is that your heart desires and never be afraid to die for the truth. GOD IS ALWAYS NEAR. GOD ALWAYS HEARS. SHED MANY TEARS. HAVE NO FEAR. FUNK OUT. PROPHECY REVEALED. PROPHECY COMPLETE.

Those who read these texts are now Funkateers and Maggot Brains suitably. Spread the knowledge you have now gained. Level up your intensity. Be positive.

HOLY SCRIPTURE FOR ALL FUNKATEERS AND MAGGOT BRAINS

The Beginning of Knowledge

1 The proverbs of Solomon the son of David, king of Israel:

2 To know wisdom and instruction,

To perceive the words of understanding,

3 To receive the instruction of wisdom,

Justice, judgment, and equity;

4 To give prudence to the simple,

To the young man knowledge and discretion—

5 A wise man will hear and increase learning,

And a man of understanding will attain wise counsel,

6 To understand a proverb and an enigma,

The words of the wise and their riddles.

7 The fear of the Lord is the beginning of knowledge,

But fools despise wisdom and instruction.

Shun Evil Counsel

8 My son, hear the instruction of your father,

And do not forsake the law of your mother;

9 For they will be a graceful ornament on your head,

And chains about your neck.

10 My son, if sinners entice you,

Do not consent.

11 If they say, "Come with us,

Let us lie in wait to shed blood;

Let us lurk secretly for the innocent without cause;

12 Let us swallow them alive like Sheol,

And whole, like those who go down to the Pit;

13 We shall find all kinds of precious possessions,

We shall fill our houses with spoil;

14 Cast in your lot among us,

Let us all have one purse"—

15 My son, do not walk in the way with them,

Keep your foot from their path;

16 For their feet run to evil,

And they make haste to shed blood.

17 Surely, in vain the net is spread

In the sight of any bird;

18 But they lie in wait for their own blood,

They lurk secretly for their own lives.

19 So are the ways of everyone who is greedy for gain;

It takes away the life of its owners.

The Call of Wisdom

20 Wisdom calls aloud outside;

She raises her voice in the open squares.

21 She cries out in the chief concourses,

At the openings of the gates in the city

She speaks her words:

22 "How long, you simple ones, will you love simplicity?

For scorners delight in they're scorning,

And fools hate knowledge.

23 Turn at my rebuke;

Surely I will pour out my spirit on you;

I will make my words known to you.

24 Because I have called and you refused,

I have stretched out my hand and no one regarded,

25 Because you disdained all my counsel,

And would have none of my rebuke,

26 I also will laugh at your calamity;

I will mock when your terror comes,

27 When your terror comes like a storm,

And your destruction comes like a whirlwind,

When distress and anguish come upon you.

28 "Then they will call on me, but I will not answer;

They will seek me diligently, but they will not find me.

29 Because they hated knowledge

And did not choose the fear of the Lord,

30 They would have none of my counsel

And despised my every rebuke.

31 Therefore they shall eat the fruit of their own way,

And be filled to the full with their own fancies.

32 For the turning away of the simple will slay them,

And the complacency of fools will destroy them;

33 But whoever listens to me will dwell safely,

And will be secure, without fear of evil."
